

The T20 World Cup 2024 is in full swing, bringing excitement and drama to cricket fans worldwide.

India's team, captained by Rohit Sharma, is preparing for a crucial match against Ireland, with standout player Jasprit Bumrah expected to play a pivotal role in their campaign.

The tournament has already seen controversy, particularly concerning the pitch conditions at Nassau County International Cricket Stadium in New York, which came under fire after a low-scoring game between Sri Lanka and South Africa.
